# LOGO - ACCEPTABLE USE

The only acceptable examples of logo usage are listed below:

## GREEN LOGO

Use on white or light backgrounds. Proper contrast is required. This logo is the default logo and should be used when possible.

## PURPLE LOGO

Use on white or light backgrounds. Proper contrast is required. The above logo should be used sparingly, where green is not possible or in legal documents.

## WHITE LOGO

Use on dark backgrounds. Proper contrast is required. The above logo may be used in cases where the background is set at a color other than the standard white background.

## TIPS

Make sure to use a high resolution PNG or EPS file.

Use **300dpi** for **print**.

Use **72dpi** for **digital**.

# LOGO - UNACCEPTABLE USE

Here are some examples of logo uses that should be **avoided** at all costs to ensure a consistent perception of the Fiona brand by your audiences.
